

NFL - MINI LED

The **NFL- MINI LED** floodlight luminaire is aimed to provide superb lighting distribution. The body is manufactured from aluminium alloy and stainless steel screws. The Mini floodlight, benefits from high transmittance PC lens for different beam light distributions. The specially designed lighting distributions brings excellent illuminating efficacy, that makes it suitable for most outdoor applications. The rotating angles can be precisely adjusted by loosening the side knobs and locking them up in place again. Modern design, simple with smooth lines, compact and seamless, offers high energy efficiency with high performance, low maintenance and long life span.

5-year warranty

Applications

- Billboard advertising
- Building façade lighting
- Parking lighting
- Industrial facilities
- Warehouse lighting
- Shopping malls and exhibition centers.

Ingress Protection: IP65

Technical Specifications

Model Name	NFL- MINI LED Floodlight		
Power Consumption	50W	70W	90W
Corrected Colour Temperature	5000K		
Luminous Flux	5750lm	8050lm	10350lm
Colour Rendering Index	Ra70 / Ra80		
Mains Voltage	100 – 240VAC / 100-277VAC		
Mains Frequency	50-60Hz		
Driver Intelligent	Constant current		
Luminous Efficiency (system)	115lm/W		
Power Factor	>0.93		
Mounting type	Bracket and pole mounting		
Ambient Temperature	-30°C to +40°C		
Weight	3.1kg	3.4kg	3.4kg
Rated Lifetime	50000Hrs. (L70 @30°C)		
Beam Angle	F00A01 / F00301		
Ingress Protection	IP65		
Dimensions	269 x 280 x 74mm
